Grade 8 is a designated retention grade.

Grade 8 students with 2 or more Fs in core subjects (English, Mathematics, History/Social Science, Science) at the end of the school year, 2006-07, will be retained. Parents/guardians may appeal the retention decision. All students not retained under the parent appeal process will be required to attend summer school. At the conclusion of summer school:

- Students with no Fs will be promoted to the Grade 9 regular program.
- Students with one or more Fs will be placed in the Ninth-Grade Intervention Program.

Students may be retained at any grade if they are performing Far Below Expectations on the Literacy/English Language Development assessments (see above) and they have not participated in recommended interventions.

Retention is strongly discouraged at grade levels other than the designated retention grade level.

Fluent English students and English Learners enrolled five years or more who are performing Far Below Expectations on the Literacy assessments (DRP and ARI) at the end of the school year may be retained.

ENGLISH LEARNERS

English Learners enrolled three to four years may be retained if they:

- ***Scored Far Below Expectations on the Literacy assessments (DRP and ARI); AND***
- ***Had a CELDT Reading Proficiency Level of Beginning or Early Intermediate on the fall annual assessment.***

Placement decisions for English Learners must first start with an understanding of the current proficiency level of each student.

- Students at the Beginning, Early Intermediate, and lower range of Intermediate (OPL 488-507) levels of English proficiency are determined to possess *less than reasonable fluency* in English. These students should follow the **ESL** course sequence.
- Students whose CELDT test date is on or before April 30th of the current calendar year and whose OPL is Intermediate or above should follow the ELD (L) course sequence.
- Students at the high range of Intermediate (OPL 508-528), Early Advanced, and Advanced proficiency levels are determined to possess *reasonable fluency* in English and should follow the **ELD (L)** course sequence.

Students with *reasonable fluency* in English also have the option of enrolling in a one-period ELD (L) course plus an additional period of literacy support.
